

The following **National Renewable Energy Laboratory Department of Energy-Greenidge Multi-Pollutant Control Project Publications**, which could be found at <http://www.netl.doe.gov/research/coal/major-demonstrations/power-plant-improvement-initiative/bib-greenidge>:

- Greenidge Multi-Pollutant Control Project, Final Report (2009)
- Appendix G: Clean Air Engineering Testing Reports (2009)
- Quarterly Progress Reports:
 - July - September 2008 (Nov 2008)
 - Apr - June 2008 (Aug 2008)
 - January - March 2008 (May 2008)
 - October - December 2007 (Feb 2008)
 - July - September 2007 (Nov 2007)
 - Apr - June 2007 (Aug 2007)
 - January - March 2007 (Apr 2007)
 - October - December 2006 (Jan 2007)
 - July - September 2006 (Oct 2006)
 - May - June 2006 (July 2006)
- PPII Reports: Project Performance Summaries, Post-Project Assessments, & Topical Reports: Greenidge Multi-Pollutant Control Project - A DOE Assessment (Oct 2010)
- Greenidge Multi-Pollutant Control Project: Final Public Design Report (Jan 2009)
